

KIDS Winter Activities December 29, 2018-January 5, 2019

The kids program is designed for ages 6-12 years, but the teens are welcome to join us anytime!

Kids may join their parents for a trail ride, skiing, snowshoeing, and tubing if they do not want to participate in the kids program.

The program hours are from **9:30-12:30, 2:00-4:30** (meet at Kids Hut for the beginning of all activities), and during dinnertime hours for the Dine 'n Dash evenings (meet in Conference Room upstairs in Lodge).
