# PRO TRAVEL TIP:

If you're flying, pack an overnight change of clothes in your carry-on in case your luggage arrives late

There are no TVs or phones in the rooms, and WiFi is limited (no streaming). Download entertainment ahead of time. A guest phone is available as cell phone service is spotty at best.

# WHAT YOU DON'T NEED TO BRING:

- Fly fishing gear--we've got rods, reels, boots, and waders
- Mountain bikes and helmets--provided for all guests
- Hairdryer, water bottles, toiletries, coffee maker, minifridge--all included in your room!

### ADDITIONAL NOTES:

- Laundry Service: We offer laundry service for a fee with a 24-hour turnaround, so don't worry if you pack light!
- Helmets and Boots: Both are encouraged for riders, especially kids. We do have a selection of various sizes available in case you need them.
- Tipping Policy: We ask that you not tip our staff directly, so put your wallet away! There are, however, a couple specialized outfitters (i.e. massage appointments) if you would like to show your thanks to them with a cash tip.
