

# Winter Activities

Below is a schedule of specialty activities. Details on each activity will be found in the pre-arrival "Program of Activities" page. **Please note that all activities are weather-dependent and may change with varying conditions.**

Snowmobiling and Massages are offered at an additional cost.  
If you're interested in an all-day ski or snowshoe please let us know when you arrive at the ranch.

| Sunday                                                              | Monday                                       | Tuesday                                     | Wednesday                                 | Thursday                            | Friday                                           | Saturday                                                |
